

Autumn Gold Ginkgo

Ginkgo biloba 'Autumn Gold'

Category: Deciduous

Growth Rate: Fast

Adaptability: Partial shade to full sun.

Shape: Oval

Size: 25-50' tall, 25-35' wide

Fall Color: Yellow

Description: Excellent choice for lawn or shade tree. Autumn Gold' is an all-male cultivar with a symmetrical, broadly spreading habit. Leaves turn a uniform golden yellow in autumn and persist for several weeks. Ginkgo is also commonly called maidenhair tree, which refers to the resemblance of the fan-shaped leaves to maidenhair fern leaflets.
