

Canada Red Chokecherry

Prunus virginiana 'Canada Red'

Category: Deciduous

Growth Rate: Average

Adaptability: Partial to full sun

Shape: Rounded crown

Size: 25-30' tall, 15-20' wide

Flower/Fall Color: Small white flowers, burgundy foliage

Wildlife Value: Attracts butterflies and provides fruit for wildlife

Description: Follow a regular watering schedule in the first growing season to establish a deep, extensive root system. This tough, hardy, ornamental chokecherry tolerates heat, cold, wind and poor soil. Each new flush of bright green leaves turns bright reddish purple, providing color throughout the year.
