

## Kay Parris Magnolia

*Magnolia grandiflora* 'Kay Parris'

**Category:** Evergreen

**Growth Rate:** Rapid

**Adaptability:** Full sun to partial shade

**Shape:** Pyramidal to rounded crown

**Size:** 20-25' tall, 10-15' wide

**Flowers:** Medium, fragrant white flowers, May– Sept

**Description:** The evergreen, dark green foliage forms a dense, narrow, pyramidal-oval crown with fragrant white flowers in summer. Fruit attracts birds and wildlife. Beautiful specimen flowering tree for lawns.
