

Pin Oak or Spanish Swamp Oak

Quercus palustris

Category: Deciduous

Growth Rate: Moderate

Adaptability: Full sun

Shape: Broad, rounded crown

Size: 600-80' tall, 40-50' wide

Fall Color: Gold-Yellow

Description: Glossy green seasonal leaves. Fall color is yellow, but develops into a orange-red. Acorns mature in early fall. A good tree for wet ground and low spots. Also has surprisingly good drought resistance.
