

# Trident Maple

*Acer buergerianum*

**Category:** Deciduous

**Growth Rate:** Average

**Adaptability:** Full sun to partial shade

**Shape:** Oval, rounded

**Size:** 25-30' tall, 15-25' wide

**Fall Color:** Variable, dark red to orange

**Description:** Easily grown in average, medium moisture, well-drained soils. Triangular, three-lobed leaves are glossy green above and pale green beneath. Exfoliating bark will develop on mature trunks. Attractive small tree for streets, patios and around the home.
